**ur point** aim to provide a harmonious social environment online where users are not silenced or suppressed for speaking out about the things that are important in their life. In the interests of this harmony, we reserve the main **ur point** wall for general posting and sharing activities that do not invite debate or encourage arguments.

For instances where people wish to discuss topics more vigorously, we have created the **ur groups** feature to facilitate wider debate on current affairs, politics, religion, and other topics of people’s choices. **ur groups** will help the harmony of **ur point** as a whole by keeping debate and topics deemed to be political or up for debate from the main **ur point** wall.

**ur point** promote free speech and the rights of every human being to be heard. We also appreciate that people have the right to harmonious social networking. We ask that all members and users of **ur point** respect this.

#### PROTECTION BOTS AND REPORTING FACILITIES

Through the use of intelligent software, **ur point** aims to prevent offensive or inappropriate posts before they are even posted on the main **ur point** wall. **ur point** will continuously strive to improve the performance of these software bots and we expect users to assist in protecting the harmony on this platform by reporting anything that may somehow slip through and be uploaded to the site. **ur point** have provided users with the facility to report and delete anything they find offensive on their own walls. On the main wall and group walls the facility to report posts is available so our administrative team can respond to any offensive posts in the most appropriate way.

By agreeing to these terms of service, you agree not to partake in, or promote, any of the aforementioned antisocial behaviours that may cause hurt or offence to other members of the **ur point** community.

By agreeing to these terms of service, the group creators, and administrators, agree to report any form of incendiary rhetoric or calls for violence.

Upon creation of any groups in **ur groups** on **ur point** you will be prompted to agree to the specific terms and conditions bestowed upon group owners and administrators.
